

Tim Lister

Inland Revenue

Two words that most people fear. As the saying goes there are two certainties in life, death and taxes.

A large percentage of the population at some point have to have dealings directly with the Inland Revenue. I want to speak to those people or businesses. We can help them by preparing the relevant paperwork required i.e.:

- sole trader accounts
- limited company accounts
- personal tax returns
- company tax returns

As part of our service we can also give tax-planning advice to enable them to reduce the tax they have to pay.

Today I am standing in for Tim Lister of Stephen Hill Mid Kent Ltd, a firm of chartered accountants with offices in Maidstone and New Romney.

The firm helps solve the problems of the past while planning the successes of the future.
