Dear Andy

Work at Mardan House

I am writing to let you know just how delighted Bob and I are with the work that you and Jackie have done. Our dining room has been completely transformed and has been the object of much admiration. The spare bedroom has also taken on a new lease of life and I can now stop apologising to all my guests for the state of their accommodations.

Needless to say we will have no hesitation in recommending your services, not just for the quality of your work, but for the very reasonable prices.

Yours sincerely,
