Dear Mark

Mardan House

Very many thanks for all your hard work on the drawings and planning application for our garage extension. As you know we have had problems in the past with both of these and it was such a relief to have finally found someone who really is an expert in the field. I can't believe it all went so smoothly: Bob and I are absolutely delighted and will certainly be recommending your services in future.

As we have already discussed, we are thinking of creating a granny annexe out of the office and adjoining bedroom and will be in touch if we need any drawings for this.

Yours sincerely,

Alice Spink
