Hi Claire, let me know if this is OK.

Dear Claire, this is just a short note to thank you very much for all the travel arrangements you have made for us in the past couple of years and for those to come in the future. As a Travel Counsellor I find booking through you extremely comforting knowing that you have got us an extremely good price whether it be for rail, air or road, have attended to every single possible detail and are on the end of a 'phone or computer if there should be a problem wherever one is. The added bonus is that as part of the Travel Counsellors concession I also know there are financial safeguards and sensible choices in terms of the carriers and companies you use. I never hesitate to recommend you to people I hear are taking holidays and I hope that some of these bear fruit.

Thanks again, we'll be in touch again as soon as we have another holiday planned.
