Dear Claire,

I write to say that once again you arranged my holiday to the Isles of Scilly to perfection.

Although the journey was a long one, the train connections allowed sufficient time for relaxed transfers. The helicopter flight went without a hitch and taxis to and from the heliports were comfortable and on time.

My accommodation on the Island of St. Mary's was very comfortable, clean and the food was delicious.

All in all I was able to enjoy my holiday from the time I left my door until I returned a week later and benefitted enormously from the totally relaxing experience.

Thank you for your usual superb service.

Kind regards
