Dear Monty,

It is with pleasure that I write to say how much I appreciate the services you have provided for me over the years that I have known you.

Some years ago you furnished me with my will, which meets my needs and wishes. You also provided me with the necessary documentation to cover the eventuality that I might be unable to make decisions for myself.

My late mother also used your service to provide her will. She was of a generation who found having to make decisions around legal issues very difficult, she found your sensitivity and professionalism a great comfort.

More recently you set up a funeral plan for me, which ensures that when the time comes my family will know what my wishes are and that it will already be paid for, thus relieving them of the decisions that are necessary at a distressing time for them.

Throughout all of these occasions I have found your help and guidance through the legal maze invaluable, and have no hesitation in recommending your service.

Thank you

Anne Whybrow
