Dear Alice

KENT MESSENGER ADVERTORIAL

I am writing to express my appreciation of the advert you prepared on my behalf for last Friday's "Your Home" special from the Kent Messenger.

Once again you have demonstrated the art of the wordsmith. Combining your words with the photos has produced a fabulous design that catches the eye of the reader. I am confident that the work the ad generates for me will more than pay for the cost of production and insertion.

Thank you for an excellent job.

Best regards

Bob Stretton
