Dear Reader of this Testimony,

## MARK HORNER CHARTERED ARCHITECTS

What a nice man to do business with.

No, that isn't a question! He is a 'very nice man' and in addition he also knows what he's talking about.

Mark has done a really neat initial drawing to enable us to get sensible quotes for a garden studio which maximises the available space and a neat open plan loft to give space and light to the studio.

I would highly recommend him to you, especially if you have an Oast House that needs converting, because he just loves planning space for them.

Your sincerely,

**Gary Guillon Director**
