Testimonial to Howard Cooke
Bridge Insurance Brokers

Recently my buildings/contents insurance came up for renewal. Usually being a busy person, I just let the same policy run into the next year. My policy was held with 'Direct Line' which 3 years ago offered a good deal and I trusted they would continue to do so.

I was advised to approach Bridge Insurance Brokers by a colleague just to check my policy as he had taken out insurance with them and found them very helpful.

I did just that. Howard and his staff really listened to my needs and to my surprise the policy covered more than my current one and was £300 cheaper. They didn't even ask how much I was currently paying so I know it was an honest quote.

It goes to show that going to the big household names for insurance doesn't always pay off.

Whenever I come across anybody needing insurance, I shall recommend Bridge Insurance Brokers every time.
