Dear Bob

**Re: Testimony**

I am just writing to say how impressed with your services I have been. I have recently qualified as a solicitor and wanted to frame my practising certificate as it is very important to me. I did not have any particular ideas of type of frame or style. However, you matched the wood to the colour of the certificate and added a red border that complimented a red stripe in the certificate perfectly.

I would thoroughly recommend your services to anyone who wanted to frame precious and important photographs or documents.

Thank you once again

Kind regards
