Dear Bryan

RE: New Wheel Cover for Mark Horner, Chartered Architect

Thank you for your help in designing and printing the new wheel cover for my Honda CR-V to advertise my business as I visit sites around Kent & Sussex.

I am very pleased with the result and I feel that it is an important way to publicise my business, and to reinforce my corporate image.

I feel sure that the wheel cover will help me to attract business and spread the word.

I will certainly recommend your economic and professional service to all my clients and contacts, whether they are looking for advertising or, signage of any description.

I will also let them know that you are able to tackle all signage jobs, from nameplates, full vehicle graphics, illuminated signs etc.

Thanks again, yours sincerely

Mark Horner, RIBA
Chartered Architect
