Dear Andrew

I thought I would drop you a quick line to thank you for your help with the improvement to our garden.

Your not going mad, but your advice regarding tomato ketchup on our Grey Hound's dog food has had a magic effect on our garden

We look forward, to you and the team on our future project.

Regards

Dear Neil

I was recently going through some old records and thought I would drop you a quick line just to let you know how happy we are with the mortgage and insurance advice for over 10 years. I guess you have clients over a longer period of time.

We look forward to you and the team on our future business.
