

FTAO Mr.Terry Roffey

Brook Security Ltd

 ISDN Buildings  
Ingatestone Road  
Stock, Essex  
CM4 9PD

Dear Terry

I thought I would drop you a quick line to thank you for an excellent installation by your engineer.

We had never had a security system before so we are very happy how we got in to the new habit of setting the alarm, and how it works with our Greyhound.

We look forward, to you and the team on future projects.

Regards

Mike Hill
