Dear Dave & Scott

## **Grove Green Community Hall**

At our committee meeting last week, my committee expressed pleasure at the new basins with locking cupboards underneath that you both supplied and fitted in the Ladies cloakroom. I was asked to pass their thanks to you.

In particular our caretaker, Pat, is pleased that she now has somewhere to keep toilet rolls and other items close to where they are needed. The Fledgelings Nursery owner Alison is also delighted as she now has somewhere handy to keep all those items that apparently are necessary to clean up little children when they are not yet as accurate as they should be!

So, a good job at a competitive price. Well done.

Yours sincerely

Monty Knight-Olds
