Dear Kerry

Thank you for the excellent servicing carried out on my Toyota this week. Not only were you cheaper than the main Toyota dealer but you provided additional services such as free collect and deliver, swapping the tyres and fitting a fuel saving magnet and still the total was cheaper than Toyota's quote.

And there was more. I knew you would wash the outside of the car like Toyota before returning it. But you went further! The door lintels inside had also been washed, the car valeted inside including the use of polish.

A very pleasing experience.

Yours sincerely
