Dear Keith

I would like to praise the work of your installer, Cliff. He was both speedy and conscientious. We just had to keep him supplied with either strong tea, coffee or a soft drink. Other than actually drinking that, he seemed never to stop. His work was to a very high standard. My wife and I are very pleased with the result which is a new conservatory in woodgrain UPVC using the same base as the one it was replacing which was wood framed and falling to bits after 21 years..

Yours sincerely
