James Dewane  
Kent Electrics

26<sup>th</sup> June 2009

Dear James

**Re: 3-way Switch**

Just a short note to thank you for your help in fitting the 3-way switch – a task which had proved beyond my miniscule electrician skills...

As I expected, the job was done, professionally and at a great price! I will certainly recommend your services whenever the opportunity arises.

Once again, many thanks.

Yours faithfully

Rick Mason  
RJM Photographic

PS: I have delivered your leaflets and hope that some business arises.
