BNI Testimonial for Dave and Scott of Aquafix

Dear Dave and Scott

Re: Fitting of new Shower Room at Northdown House

I am writing to thank you both for a brilliant job. Kim and I are really pleased with the installation and tiling you have carried out for us in our Shower Room.

It is transformed from a dowdy old fashioned one to a stunning vibrant one. It has take longer than anticipated for a number of reasons to complete. Mainly the jigsaw parts we purchased in the January sales were not all compatible or fit for the purpose. With hind sight we would have done some things differently. However your advice along the way and your professional courteous workmanship has resulted in a great job without any real headaches for us. All works including plumbing, fitting of shower cubicle, basin, cabinets, mirrors and drawers, plus the tiling have been first class.

We are happy to provide a reference for the standard of your work, if future clients require one.

Kind regards and best wishes

Terry Roffey
