Dear Jason

Re: Brook Security Leaflet Design

I am writing to express my thanks and gratitude for a job very well done. My outline brief was to give a prospective client a snap shot of Brook Security, history, services and reasons to buy.

Your design met and exceeded our expectation. You have given us a clean, modern, professional and quality leaflet that reflects our business and one that we are proud of.

We will be pleased to act as a referee for any prospective customer in the future and we will obviously use your services again, commencing with the Banner design as discussed.

Kind regards

Terry Roffey
